Discover Aries Hotel & SPA Szczyrk

Located in the heart of Szczyrk, Aries Hotel & SPA Szczyrk is the region's first five-star property, combining boutique character with comprehensive conference and event facilities.

Aries Hotel & SPA Szczyrk was built on the site of a former **Tourist House** that welcomed mountain hikers for decades. Although the new hotel's interior does not reveal the site's historic past, its distinctive design pays tribute to the cultural heritage of the Silesian Beskids.

Perfect five-star relaxation.
Aries Hotel & SPA Szczyrk ensures meticulous attention to every detail of your stay. Simply make yourself comfortable...
